## E-safety

Safer internet day is on Tuesday February 9<sup>th</sup> – the theme is 'Play your part for a better internet!' The day is about promoting the safe, responsible and positive use of digital technology.

The internet is an amazing resource which enables children and young people to connect, communicate and be creative in a number of different ways, on a range of devices. However, the internet is always changing, and being able to keep up to date with your children's use of technology can be a challenge. Children need advice and protection when it comes to managing their lives online and using the internet positively and safely. Please find overleaf some useful conversation starters.

## Attendance

We continue to monitor attendance regularly.

Class F 97.5%

Class R 97.9%

Class I 97.2%

Class E 98.0%

Class N 97.4%

Class D 96.6%

Class S 96.7%

Congratulations go to Classes E whose attendance exceeds all other classes.

## Curriculum enrichment

Before the half term break, children in Class F will undertake the safer cycling scheme. This is a series of lessons during which the children gain practical skills and understand how to cycle safely on today's roads.

On Wednesday 3<sup>rd</sup> February, children in Classes R and D will enjoy presentations by the Fire and Rescue Service.

Please see overleaf for dates of events during the second half of the spring term.

## Half term break

School is due to close at 3:30 p.m. on Friday 12<sup>th</sup> February for half term. We reopen at 9:10 a.m. on Monday 22<sup>nd</sup> February. We would like to take this opportunity to wish you a safe, restful and refreshing half term break

Kind regards

Marie Sandford  
Headteacher

Ask your child to tell you what they like most about the internet and why e.g. sites they visit, ways to communicate, games they play etc.

What does a better internet mean to them?

Is it safer, more fun, kinder, more to do, easier to use?

Ask your child what they would like others to do to improve the internet and make it a better place.

What could your child do to make the internet a better place?

Do they have creative skills or ideas to create a new website or app?

Encourage your child to do good digital deeds to help others. Perhaps they can show you how to do something better online or they might have a friend that would benefit from their help and support.

Ask your child if they know where to go for help, where to find safety advice and privacy settings, and how to report or block on the services they use.

Ask your child what they would do if they saw hateful content online. Who could they turn to for help?

Think about how you each use the internet. What more could you do to use the internet together? Are there any activities you could enjoy as a family?

Ask your child to tell you how they stay safe online. What tips do they have for you to deal with online issues? Where did they learn them?

Each week the children will have a task to complete in a set world which, if not finished in the time we have, may be worked on at home. The club will be using a special version of Minecraft called MinecraftEdu. The Minecraft worlds that the children will be visiting are closed to anyone outside of the club and are therefore safe for the children to explore.

The club will be open to all children in Key Stage 2 (years 3, 4, 5 and 6) and will be limited to ten children in total. ## Safer Internet Day 2016 - Play your part for a better Internet

On Tuesday 9<sup>th</sup> February 2016 Safer Internet Day will be celebrated in over a hundred countries. On this day our Collective Worship will focus on 'Playing our part for a better Internet' and over the course of the week children will take part in activities supporting the initiative.

For parents and carers, Safer Internet Day is a great time to have a conversation with their child about staying safe online.

This Safer Internet Day we, together with young people from across the UK, will be considering what we can do to help make the internet a kinder place. Perhaps you could talk to your child about what actions they could take to make the internet a kinder place?

Often we hear about the negative impact that the internet and new technology has on young people, but on Safer Internet Day we want to celebrate the positives and to explore what we can all do to make sure that all young people have a positive time online. Parents and carers play a crucial role in supporting children to navigate the risks and make the most of the opportunities offered by technology. The most important thing you can do is to have a conversation and stay engaged with your children's digital lives.

With this in mind:

- the Safer Internet Day website has a number of items to help (<http://www.saferinternet.org.uk/safer-internet-day/2016/parents> )
- you can find a wealth of information and links on our school website that can be used to support you when having these conversations ([http://79.170.40.240/gilmortonchandler.leics.sch.uk/?page\\_id=520](http://79.170.40.240/gilmortonchandler.leics.sch.uk/?page_id=520) )
- There are the Vodafone Digital Parenting Magazines that we sent out earlier in the year plus their website (<https://parentzone.org.uk/parent-info> )
- And also the Internet Matters Organisation App and Website: (<http://www.internetmatters.org/> )

In school e-safety is part of every computing unit of work we deliver and is also covered in a range of other subjects where the use of technology may be required. Safer Internet Day helps us to raise the profile and bring the message of a 'better Internet' to a much wider audience.

18<sup>th</sup> March 2016

Sports Relief takes place this year on Friday 18<sup>th</sup> March. This year we will be holding a sponsored walk around the playground. Children in the foundation stage and years 1 & 2 will walk a minimum of 4 laps of the playground whilst children in years 3-6 will walk a minimum of 8 laps of the playground. Each child will bring home a sponsor form with this newsletter. We hope that many of you will sponsor your child for this worthy cause. All children can take part in the walk regardless of whether or not sponsorship is obtained. Please make cheques payable to 'Gilmorton Chandler Primary School'. Thank you for your continued generosity.

Please be advised that due to the lack of demand, Smiles will not be running a holiday club this half term break (Monday 15<sup>th</sup> February to Friday 19<sup>th</sup> February 2016) please make alternative child care arrangements during this period. Thank you.
